

2017 Center for Energy Efficient Electronics Science

Summer Research Internship June 3 - August 5, 2017

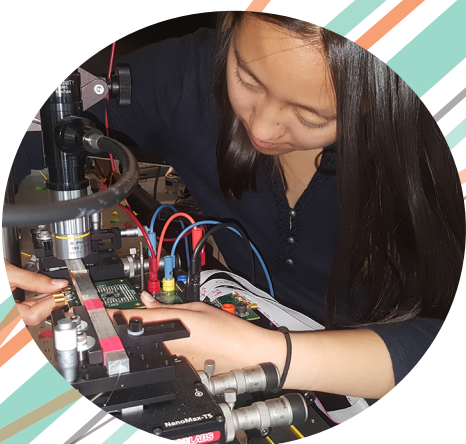

Program Benefits

- 9-week research experience
- Hands-on research guided by faculty sponsors and graduate student mentors
- Graduate student advising and subsidized GRE prep course
- Guest speakers, lab tours, and field trips
- \$4,000 stipend plus room and board
- Travel allowance (up to \$600)

Who Should Apply

- Must be a United States citizen, national, or permanent resident to apply (International students are NOT eligible for this program)
- 3.25 GPA or higher
- Sophomores, juniors, and non-graduating seniors
- Engineering and physical science majors

Research Areas

- Nanomagnetics*
- Nanoelectronics*
- Nanophotonics*
- Nanomechanics*

Deadline to Apply:
January 27, 2017
