

Summer Research Internship for community college students

Program Benefits:

- 9 week research experience at UC Berkeley
- Hands-on research guided by faculty & graduate student mentors
- Professional development & technical seminars
- Advising & support for transfer to a 4-year institution
- Guest speakers, lab tours, and field trips
- \$3,600 stipend plus room & board provided
- Travel allowance (*up to \$300*)

TTE Program participants have a **98%** transfer rate to a 4-year university. **60%** have transferred to UC Berkeley.

No prior research experience required!

Eligibility:

- U.S citizen, national, or permanent resident
- 3.25+ GPA in science, engineering, & math courses
- Enrolled at a California community college
- Completed 2 Calculus courses by June 2020
- Completed 3 Science or Engineering courses, one of which has a laboratory component by June 2020
- Plan to return to a California community college in Fall 2020
- Plan to apply for transfer admission to a baccalaureate program in science or engineering

Applications welcomed from all qualified students. Women, minorities, veterans, & persons with disabilities are encouraged to apply!

Summer 2020 Application available in October 2019, due in January 2020
